

Before the Board of Zoning Adjustment, D. C.

PUBLIC HEARING -- October 18, 1972

Application No. 11146 Carrie Notes Dorman, et al, appellant.

THE ZONING ADMINISTRATOR OF THE DISTRICT OF COLUMBIA, appellee.

On motion duly made, seconded and unanimously carried, the following Order of the Board was entered at the meeting of November 1, 1972.

EFFECTIVE DATE OF ORDER -- December 14, 1972

ORDERED:

That the application for permission to continue parking lot for a period of five (5) years at rear of 5103 Georgia Avenue, N. W., Lot 809, Square 3002 be CONDITIONALLY GRANTED.

FINDINGS OF FACT:

1. Subject parking lot is located at the rear of 5103 Georgia Avenue, N. W., which is located in an R-3 District.
2. The property presently is being used to provide approximately fifty parking spaces for the private automobiles, of the employees and business invitees of the C & P Telephone Company.
3. The property is bordered on the North, West and the East by public alleys, and on the South by Gallatin Street. Therefore, there is no abutting property.
4. There are no permanent structures on the property.

OPINION:

We are of the opinion that the continuance of this parking lot will not create any dangerous or otherwise objectionable traffic conditions. The present character and future development of the neighborhood will not be adversely affected. The lot is reasonably necessary and convenient to other uses in the vicinity.

a. Permit shall issue for a period of five (5) years but shall be subject to renewal in the discretion of the Board upon the filing of a new appeal in the manner prescribed by the Zoning Regulations.

b. All areas devoted to driveways, access lanes, and parking areas shall be maintained with a paving of material forming an all-weather impervious surface.

c. An eight (8) inch coping shall be erected and maintained along each side of all driveways to protect the public space.

d. Bumper stops shall be erected and maintained for the protection of all adjoining buildings.

e. No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.

f. All parts of the lot shall be kept free of refuse or debris and shall be paved or landscaped. Landscaping plans must be approved by the Department of Highways and Traffic.

g. No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structure is otherwise permitted in the zoning district in which the parking lot is located.

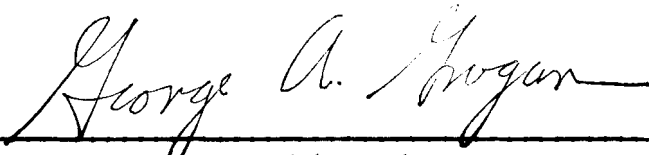

h. Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot.

i. Use shall be limited to the parking of private automobiles only, no trucks.

Permit shall not issue until all conditions of this Order are met and complied with and further, the Board reserves the right to direct revocation of permit upon proper showing that any arms or conditions of this Order have been violated.
